WHAT IS THE STRUCTURE OF THE TEST?

iTEP Academic comes in two forms. The most well-known version is iTEP Academic-Plus which tests grammar, listening, reading, writing, and speaking. iTEP academic core is also offered which tests grammar, listening and reading. Institutions should use iTEP Academic-Plus for official admissions purposes. For internal assessments, on the other hand, either test is suitable.

HOW ARE THE TESTS ADMINISTERED?

iTEP Academic-Plus can be administered at a certified iTEP Test Center, or online.

HOW LONG DOES A TEST TAKE TO COMPLETE?

The Academic Core takes 60 minutes, while the Academic-Plus takes 90 minutes. This includes a 10-minute preparation period.
